and Value Chains

Thursday, October 25
Perfecting Your Pitch
Showcase Dinner Event

A program for teams of science and technology entrepreneurs from APEC economies, especially those that support women and/or vulnerable communities.

For this regional GIST Startup Training, there will be a specific focus on teams that:

- Support women-ownership in business;
- Invest in women or vulnerable communities, such as first peoples, indigenous peoples, or those from rural communities;
- Use inclusive company growth strategies that engage women or vulnerable communities; or innovations that address the needs of women or vulnerable communities.

In addition, only teams from **APEC Economies** are eligible to apply. Some travel support is available; you are encouraged to apply even if you cannot self-fund travel.

All Applications are due by 11:59 p.m. EDT on August 31, 2018.
